Life

Life is something you live, Something that you cherish, Something you hold on to, No matter how tough it can get, We are all different, We have different interests, We don’t have to be angry, We don’t have to be sad, There is no right or wrong Way to live, So pick your path, See where it takes you, In the end it will be worth it, What’s your passion? Who do you want to be?
